

# CV-Library Integration

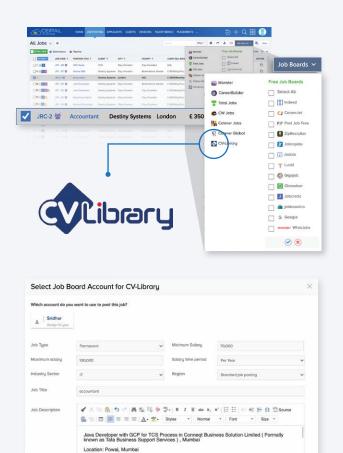

Access the UK's largest independent job board from within the CEIPAL platform. Our seamless integration with CV-Library allows users to post jobs and search the 15.8 million CVs in their database for the ideal candidate.

# How does it work?

#### POSTING CAPABILITIES:

### Seamlessly publish jobs.

Instantly advertise your job to millions of candidates. Our CV-Library integration allows you to customize job descriptions and post requirements with a few simple clicks.

Publish

Concel

Experience - 4-5 years Sr. Java Developer Mumbai

### SEARCH CAPABILITIES:

### Find qualified candidates.

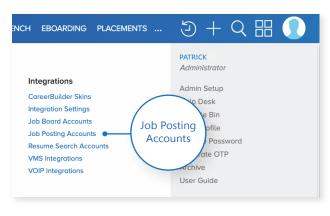

Access CV-Library's database without leaving CEIPAL. From one location, you can browse candidates and preview their qualifications and skills before paying for the resume.
